Hi Don

Attached is a PDF of the EPA R10 comments on the 2014 Oregon NPS Management Program Plan. I requested an electronic Word version of the document with EPA's comments in track changes. I will forward it to you when I get it. Or perhaps you can request a copy from Jayne Carlin.

Let me know if you have any questions.

thanks

Gene

Thanks Gene.

Regarding NPS Plan approval status...

None of the R10 states have an approved new NPS Plan. Ak, Id, and Or have submitted plans for EPA to review, Wa has not submitted a plan for EPA review yet. EPA has provided comments on the plans from Ak, Id, and Or.

To date nationally, slightly over ½ of the states have approved plans.

Hi Dave

I got your voice message that EPA R10 will be sending comments on our 2014 NPS Management Plan. Once we get those and we have had a chance to review them we will be in touch to discuss.

In the meantime, what is the status of review and approval of NPS Management Plans for the other states, especially the R10 states?

thanks

Gene
